

WASTEQUIP

WASTEQUIP - ENVIRONMENTAL VACUUM CONTAINERS

Man way-centered on roof, 24" wide, accessed by ladder

Grease fittings-on all working points

Rear door-Fully gasketed

Choose from any of our standard colors Floor, sides, roof, bulkhead and door 1/4" plate

Container tested-to 27.5 inches of Mercury and water pressure tested

Capacity-5,050 gallons (25 cubic yards)

On-site roll-off vacuum container can get two more work hours for your trucks

Our vacuum containers cost about 7% the cost of your vacuum trucks but they hold something like 300% more volume-assuming your truck has about a 5 cubic yard tank. This can be a huge time saver. Instead of pulling off a job site frequently to dump, you can have one of our roll-off vacuum containers on site to keep your trucks working. You could save two hours per day in travel time. Do the math, over a five or ten year period-you'll dollars ahead.

If you are a rental company, the value of our vacuum containers represent an easy sell to environmental contractors.

Vacuum containers are tested tough to handle 27.5 inches of Mercury cleaning up; chemicals, dangerous spills, paint, sludge and other environmental damaging material.

25 Cubic yard vacuum container shown from sealed door end

This style vacuum container is available in 20, 25 and 30 cu. yd models

20, 25 and 30 cu. yd vacuum container showing sealed door

WASTEQUIP ENVIRONMENTAL VACUUM CONTAINERS

On-site, roll-off vacuum container allows your trucks to work more efficiently

Radius corner roll-off Vacuum Containers

20 Cu. Yd. Roll-Off Vacuum Container

- Length OD-21'-9"
- Width OD-8'-1 1/2"
- Height, max OD-5'-8"
- Height ID-3'-10"
- Width ID-7'-0"
- Weight-8751 lbs. estimated

25 Cu. Yd. Roll-Off Vacuum Container

- Length OD-21'-9"
- Width OD-8'-1 1/2"
- Height, max OD-6'-8"
- Height ID-4'-10"
- Width ID-7'-0"
- Weight-9470 lbs. estimated

30 Cu. Yd. Roll-Off Vacuum Container

- Length OD-21'-9"
- Width OD-8'-1 1/2"
- Height, max OD-7'-7"
- Height ID-5'-9"
- Width ID-7'-0"
- Weight-10,166 lbs. estimated

Specifications-Radius corner models

Floor plate-1/4", one piece, longitudinal edges formed upward
 Sides-7 gauge, one piece, top longitudinal edges formed inward
 Front plate-7 gauge, one piece, edge radii formed inward, spherical corners
 Roof-7 gauge, one piece
 Man way-centered on roof, 21 1/4" wide, 7 gauge coming, accessed by ladder
 Inlet/outlet-8" x 150 lb flanges, gaskets and 1/4" caps
 Front rails-6" x 2" x 3/16" rectangular channels
 Ribs-3" x 3" x 3/16" formed channels
 Rear posts-6" x 3" x 3/16" structural tubing
 Header-6" x 3" x 3/16" structural tubing
 Cross members-3" x 3" x 3/16" formed channels, 16" o.c.
 Door sheet-7 gauge
 Door frame-4" x 3" 1/4" structural tubing
 Door latch-side opening, three independent ratchet binders operate vacuum sealing
 Gaskets-EPDM extruded one-piece "T" gasket with 1" angle retainer clips
 Rollers four-8" diameter, 10" long at rear, 8" long at front
 Grease fittings-on all working points
 Rails-6" x 2" x 1/4" structural tubing
 Rail extensions-1 1/4" plate, 36,000 lb minimum yield
 Hook plate-made from 3/4" plate
 Welds-all continuous
 Finish-primed inside and out with red oxide
 Paint-alkyd enamel top coat, in any of our standard colors
 Warranty-withstands any vacuum encountered in ordinary vacuum service

Options

- Paint color
- Drains
- Various fittings
- Filter shields

Heavy duty roll-off Vacuum Container

Length-20'
 Width-96" OD
 Height-66" ID
 Capacity-5,050 gallons (25 cubic yards)
 Weight-10,730 lbs
 Floor plate-1/4" plate
 Sides-1/4" plate
 Roof-1/4" plate
 Bulkhead-1/4" plate
 Door-1/4" plate
 Channel side and roof stakes-7 gauge formed
 Tubing long sills-6" x 2" x 1/4"
 Outside rail understructure
 Man way-centered on roof, 24" wide, accessed by ladder
 Flanges (2)-8" one on each end, centered at top
 Ground rollers-Four, 6 5/8" OD, front and rear
 Grease fittings-on all working points
 Container tested-to 27.5 inches of Mercury
 Container tested-water pressure tested
 Rear door-Fully gasketed
 Rear door- side or top hinged (you specify)
 Finish-red oxide primer
 Paint-in any of our standard colors
